# Project

- **Access to Arduino**
- **Access to components**
- **Access to space**
- **Access to support**

# December 2nd

- **Digital Culture Showcase Event**
- **HARD DEADLINE**
- Must have something to showcase
- **Noon - 5pm**
- Display will be a component of grading

# Next Class

**Sensing + Control**

**Connectedness**

# This Class

*Assignment:*

**Document the outcomes**

**Include:**

- Completed code,
- Learnings
- things you tinkered with, etc.

Let's make some noise

Code is on the Wiki
